------------------	--------------

Welcome to the 27th Annual Fall Premier Sale,

We welcome you to Buck Cattle Company and appreciate your interest in our operation. There is not a better industry to be involved in or to raise your children in. We have been blessed to make our living doing what we love with people we enjoy.

This Fall Premier Sale is truly a premier event for us. Over the years, this sale has consistently produced multiple elite females which have matured into champions and premier donors for their new owners.

We all want to think each year our sale offering is better than previous years, but there is no doubt in my mind this offering is the deepest and highest quality we have had in sometime. Many of these females were produced by our customers and these guys have gone above and beyond to bring us their best. They have extensive ET programs and have made wise breeding decisions which is all very evident when you see the quality they have produced. Seventy percent of this offering's dams were purchased in our past sales. That is what we strive for, customer success not only in the show ring but also as a producer.

We couldn't have our sales and success at the shows without great help. Thank you to all the guys that make it happen, Matt Scasta, Davey Young, Seth Buckley, and Emmett Byrd, these guys hit it daily and we appreciate you. We have so many people that help us throughout the year at the shows and sales, many of them are hired guys, but several are our customers and their employees that we simply couldn't do it without. We are truly thankful for each of you.

We will be hosting our annual Judging Contest again this year. Registration will begin at 8:00 A.M. Saturday at our show barn. Please park in the sale barn parking lot. There will be 4H/FFA, Junior College, and Senior College Divisions. We won't be taking reasons, it will be questions only. Lunch will be provided, and awards will be presented prior to the sale. We are very happy to welcome Anipro/Xtraformance Feeds as our judging contest sponsor again this year! Please contact us if you have questions.

This offering is loaded with quality, take your time and study this catalog, watch the videos and feel free to come early to look at the cattle. We have proven over the years there will be something in everyone's budget, they all made it through a very ridged selection process to be in this offering. Buy with confidence and feel free to contact us for any assistance before or after the sale. We look forward to you joining our show family!

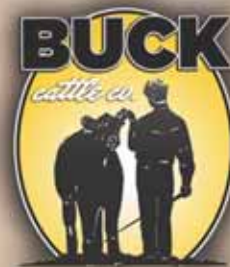

Be sure to join us prior to the sale for lunch, if you are unable to attend you can watch and bid online at cci.live or contact us if you would like to be on the phone with a staff member.

Thank you,

- Here is the shorter marked female of two remarkable full sisters. They have loads of style and power to burn.
- Victoria Chapman purchased her dam in our 2016 Fall Premier Sale, she had a good show career but never got a banner. But wow! Is she ever a breathtaking mature female! She has produced numerous top herd bulls and females the past two years.
- She is sired by H The Profit which has been a game changer in our Hereford program, he adds more body and power than any bull we have ever bred to.
