Spring Edition

Saturday, March 26, 2016

1:00 PM at the ranch, Madill, Oklahoma

Welcome to our 20th Annual Spring Edition Sale!

As I look back on the past 20 years of this sale, I realize they have been very rewarding, considering the many people we have come in contact with, the evolution of the cattle, and life long friendships we have made. However, our goals still remain the same: offer the very best cattle we can, get them into great homes, and see our customers achieve their goals. We are incredibly fortunate to make our living in the cattle business.

I am excited about this offering of cattle. This group is loaded with talent. There are some obvious headliners but the quality runs tremendously deep. As you look through this catalog take notice the generations of cattle that have been sold in our past sales. That's what it's about! We run ads promoting our champions, but these that are producing the next great ones excite me the most.

We have always strived to produce the best possible for our sales and select some of the elite ones from our customers. This year was no different, other than the fact that one operation had an abundant crop of outstanding fall heifers. The Moore family has been loyal customers and great friends for years. They have purchased some of our very best females over the years and have worked hard to build a program. As you glance through this catalog you will notice the number of CMCC cattle represented. My hat's off to them, they work hard and try to do things right. With that being said, it's not to take away from the rest of this offering they are exceptional and the genetics are stacked deep!

The start of the 2016 show season has been phenomenal for our customers, but we are still determined to bring home more banners. We have an awesome set of customers, but we have several that are graduating. Therefore, we always need new families to take the reins. Now is the time to step in! The fall born heifers have been some of the most dominant females we have shown over the past three years and this is the sale to get in on that action. The past two years our fall born heifers have been named Champion or Reserve at five Junior Nationals and numerous other shows at county, district, and state levels across the country.

Anyone that has ever had a sale can tell you they require tons of time and hard work to do them correctly. This sale is always a challenge to put together since it falls during major shows, county shows, and calving cows. We have an awesome crew, these guys give it 110%. A huge thank you to Matt Scasta, Seth Buckley, Matt Loggains, and Ethan Moore for every hour they put in. I have also been fortunate to have Bailey home this time; she has been great help with the catalog and sale preparations.

Study this catalog, come and view the cattle, and please feel free to contact us with any questions. We look forward to seeing everyone on sale day. However, if you are unable to attend you can watch the sale live on the Internet at www.liveauctions.tv or you can contact us prior to the sale and someone will assist you by phone when the lots you are interested in sell. We have been fortunate over the years to sell some cattle pretty well, however if you pay attention there are always several really great buys! For example, two Junior National Champions were sold for less than \$8,000, the Reserve Champion in San Angelo sold for \$5,000, and the Reserve Champion Hereford at the Missouri State Fair sold for \$3,200. The quality is here and I advise you to take advantage of the volume.

See you on March 26th! Please join us for lunch before the sale compliments of Martindale Feed Mill and EMCO Feed.

Thank you for your interest,

Jirl

Where Champions Are A Tradition • 3

MAINE-ANJOU HEIFERS

1

CMCC CHANGING TIME 5001

- Here's an incredible female to lead off what we believe is an awesome set of show prospects and future donors. This female combines tremendous look, body, power, and structure.
- Her dam was purchased by the Moore family in our 2008 Fall Premier Sale and was shown very successfully prior to entering embryo transplant.
- She is sired by the popular young sire, Daddy's Money, which was a triple crown champion in the show ring himself.
- Full sisters sell as Lots 2 & 3.

Heifer / PB Maine-Anjou / DOB: 09.07.15 / TATTOO: 5001C

SIRE	DADDYS MONEY	GOET 180
		JSC VELVET 112W
DAM	BK TIMEMACHINE 7110	DMCC LIMITED EDITION 4F
		PANNELL MISS 4072

2

CMCC CRUNCH TIME 5002

- This good looking female is extra soft, extra smooth, and extra good.
- Her dam, BK Timemachine, is a full sister to the great Unlimited Power.
- Her sire, Daddy's Money, was not only a many time champion, but he has also produced major show champions in his first year of production.

Heifer / PB Maine-Anjou / DOB: 09.06.15 / TATTOO: 5002C

		JSC VELVET 112W
DAM	BK TIMEMACHINE 7110	DMCC LIMITED EDITION 4F
		PANNELL MISS 4072

3

CMCC CHASING TIME 5003

- Chasing Time is the deepest, softest, most maternal built of the three full sisters. She is not as photogenic, but as you will see in person this female has the cow power and will be a player in the show ring.
- BK Timemachine has produced past division champions at Junior Nationals, Denver, Fort Worth, and Louisville.
- The I-80 daughters out of BK Timemachine were extremely successful in the show ring, however, we believe these Daddy's Money females will step it up to the next level.

4

BK CADILLAC STYLE 5004

- Cadillac Style has a unique look complimented with loads of power and substance.
- Her dam, BK Utoo, is what we believe to be the best Maine-Anjou female on the ranch. Utoo produced the 2015 NWSS Reserve Maine-Anjou female and Junior National Reserve Maine-Anjou female.
- The full sisters out of BK Utoo and I-80 have been very successful, but we believe the offspring sired by I-80 son, Daddy's Money, will surpass that success.

5

CMCC CROWD CONTROL 5005

- Crowd Control definitely has the look, power, and added body to excel in the most competitive of show rings.
- Her dam, BK Renegade, has proven herself repeatedly by producing national champions and top sellers year after year.
- This is a new mating for BK Renegade and looks to be a huge success.
- PHAF & THF

8 CMCC CLASS ACT 5008

- Here is a great looking female that is extremely maternal in her make up, sure footed, and bred to win.
- Top Secret daughters like Class Act's dam have proven they produce.
- She is sired by the established sire, Unlimited Power, who has produced countless national champions. The Unlimited Power daughters only get more impressive with time, so don't overlook this female.

CMCC CAN'T TELL 5009

- This is a rare built female with added length, extension, extra body, and eye appeal.
- Her dam has been a proven producer in our program for years prior to being purchased by the Moore family in our 2014 Sharing the Tradition Sale.
- Being sired by Unlimited Power, this young female's future is exciting.
- PHAF & THF

10

CMCC CANTINA 5010

- Here is another super maternal female that maintains plenty of look, power, and flexibility to make an outstanding yearling show heifer.
- Her dam is a powerful built Top Secret daughter out of a great Angus female in the Moore program.
- The Unlimited Power daughters have proven to be some of the most successful females we have shown and had in production in the most recent years.
- PHAF & THF

Heifer / 75% Maine-Anjou / DOB: 10.02.15 / TATTOO: 5010C

11 DUP CAKE WALK 5011

- Cake Walk is without a doubt a sale feature. She is so special in her look, design, body, and structure. There is no question that she has plenty of punch for an I-80.
- The Dupree family purchased CMCC Yum in our 2011 Fall Premier Sale. Yum was Champion at Oklahoma and Tulsa State Fair's, and Louisville. Following her show career she entered production producing the 2015 Reserve Supreme female at the Oklahoma Youth Expo for Victoria Chapman.
- I-80 offspring have dominated the show ring across the country and we believe his success will continue when mated to powerful females such as CMCC Yum.

Thank You, Matt!

We are proud to say Matt Scasta has been with our operation for 20 years. Matt came here as a hard working, eager to learn youngster and has developed into one of the very best cattlemen in this industry. With Matt it doesn't matter if you're building fence, pulling a calf, welding, clipping, or fitting for a show, he has pride in his work and he wants it done right. There is no question Buck Cattle Co. would not be where it is today without Matt Scasta. He is a loyal employee, partner, member of our family, and one of my very best friends. We are proud of each of Matt's accomplishments over the past 20 years. He has a beautiful wife, two awesome boys, a very nice place of his own, and has worked on an unbelievable number of champions. Bailey did a little research and found in Matt's 20 years he worked on over 85 Grand Champions or Reserve Grand Champions at only five National Shows: Denver, Fort Worth, Kansas City, Louisville, and Junior Nationals. We can never thank you enough for all you have done for our customers, our operation, and our family. We look forward to many more years!!!

		STAR KKH SSF OLIVIA 15U ET

- Here is one of the youngest Hereford females in the offering. She is a little green, but she has everything it takes to make a great one. She is giraffe necked, deep bodied, and sound structured.
- Her mother was purchased by Ollia Schoonover in the 2014 Spring Edition Sale. Her dam is sired by About Time out of the \$175,000 Olivia.
- Churchill Sensation is not only a performance sire, he has proven he can sire cattle that can win in the show ring as well.
- This will be the perfect heifer for the beginner showman. She has a great disposition.

		VH MISS SCHOLARSHIP U014
DAM	BK ZANCY 251	CRR ABOUT TIME 743
		STAR FANCY MAID 185R ET

- Casablanca is another one of the babies of the offering. She is eye appealing, loaded with rib and volume, and sound at the ground.
- Her dam is sired by the popular About Time out of the 185R donor cow. She was a twin to a heifer, so she was slower at the beginning but is coming on strong now.
- Her sire, Mr BG, was Reserve Champion Horned Bull at the 2014 Fort Worth Stock Show and the Supreme Champion bull at the 2013 Arizona National.

HEAT

KEEP THEM **COOL** KEEP THEM GRAZING

A vitamin and mineral supplement used to reduce heat stress during summer, especially in fescue pastures.

Contains Amaferm[®] and Capsaicin, research proven to lower body temperature, which can help improve conception rates and maintain pregnancy. Also, includes garlic, a natural insect repellent.

Keeps cows grazing and improves pasture utilization and digestibility, resulting in optimal health and performance.
