ABSENTEE BUYERS

Each sale we sell several cattle to buyers that cannot attend the sale. If you are unable to attend please contact us to discuss the cattle and we will have a representative handle your bidding confidentially.

WE PROUDLY FEED

Buck cattle are fed MFM Feeds. Talk to us about the advantages of MFM.

LOCATION

From I-35, take exit 29, go east on Highway 70, 18 miles to Cattle Drive. Then proceed 1/2 mile south to the headquarters; from Madill, go 4 miles west of town on highway 70 to the Cattle Drive. Then proceed 1/2 mile South on Cattle Drive to the headquarters.

TERMS OF THE SALE

Cash or check. All cattle are to be paid for during or immediately after the sale and will not be released until after settlement has been made. Cattle will not be transferred until paid for in full unless prior arrangements have been made.

INSURANCE

Great American Insurance, Jim Bessler	815.762.2641
First Insurance, Donna Hardman	580.364.2663
Jensen Livestock Agency	785.262.1116
Affiliated with American Livestock Insurance Inc., Sheila Jensen	

PHONE BIDS

If you would like to place a bid on any lot but will not be able to be with us, please direct your phone bid to Buck Cattle Company.

GUARANTEE

All cattle sell under the standard terms and conditions of the American Maine-Anjou Association and the American Hereford Association. Exception, females are guaranteed to breed or produce transferable embryos. If female is evaluated by a licensed veterinarian and is considered obese, breeding guarantee is voided.

REGISTRATION TRANSFERS

Registration papers will be transferred Monday following the sale if buyer has paid and provided transfer information.

FLUSHES

Buck Cattle Co reserves the right to two flushes on all females selling. We will pay flush expense.

LIVESTOCK JUDGING CONTEST

Buck Cattle Co. will have their Livestock Judging Contest on Saturday, October 20th with registration at 7:30 am. All groups and individuals are welcome - 4-H, FFA, Junior College Division, Senior College Division and individuals. Everyone is welcome to work-out on sale cattle on Friday, October 19th at 9:00 am. PRIZES AND CASH DRAWINGS!!!

WATCH AND BID ONLINE

Register and bid online at www.cci.live.

Watch for updated sale information on our Buck Cattle Company Facebook page

Videos of sale cattle will be posted at www.buckcattle.com the week prior to the sale.

BUCK

FALL PREMIER SALE

1:00 P.M. | Saturday, October 20, 2018 | Madill, Oklahoma

Welcome to our 24th Annual Fall Premier Sale,

It's our honor to invite you to see this offering of females. We strive to assemble the very best for this sale each year. For 24 years we have been blessed with successful sales. We have seen our customers experience many championships and add females to their programs that become leading donors. Each year this fall sale represents our very best along with several of our customers' very best. The cattle business definitely has its ups and downs, but we love what we do and are fortunate to make a living in this industry.

This is a very exciting offering, it features a stellar set of open heifers, that we believe is the most talented we have ever offered. They are all backed by top females and sired by breed leading sires.

In the Maine division, we have them stacked deep. This will be one of the largest offerings of high percent Maine-Anjou females to sell this fall and they are good. In this group is our first calf crop by our new herd sire BOE Epic, he's a breeding bull, see for yourself. If you are searching for a high percent Maine female, don't miss this sale.

There is more depth in the quality of our Hereford open heifers than we have ever offered, with an unbelievable top end. This offering includes our first Hereford production sale and we are selling a flush out of HAPP Kool Aid Points 1218 and 26 head of mature females. This group includes some outstanding young donor quality females with elite pedigrees.

We also have a few hand selected females from other breeds like Charolais, Angus, and Simmental. We don't sell many of these, but they are really special.

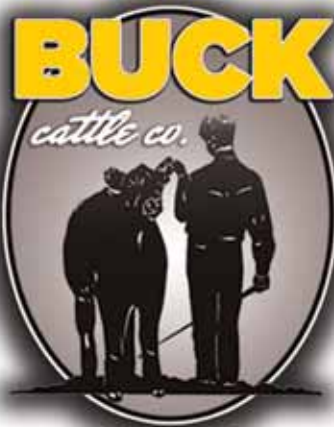

Throughout the years, we have been fortunate to have sold some fairly high dollar cattle, however every sale we also sell several that are way under the market considering their quality. Pay attention and do your homework. We thoroughly screen this set of females and only the top end make it, so you can't go wrong. A perfect example; the Champion Polled Hereford female at the 2018 OYE sold for \$3000, there are always great buys in this sale.

I will be the first to tell you we could not make this program function without awesome help. When you calve both spring and fall, have sales both spring and fall, and attend countless shows throughout the year, there is very little down time. These guys make it happen. Matt Scasta, Davey Young, Seth Buckley, Ace McHatton, Ethan Moore, and Caleb Nixon we appreciate all you do. Not to mention, all the great guys that help at picture time and show days. We are also extremely blessed with show families that go the extra mile to make our team successful and we are proud you represent us.

Our program was built with customer service, it comes with every lot and when you buy here it is part of the deal. If we can assist you with preparing for shows, making breeding decisions, or marketing decisions don't hesitate to give us a call.

We will be hosting our annual Judging Contest again this year. Registration will begin on Saturday at 7:30 AM at the Red Barn on the north side of Highway 70, just north of the ranch. There will be 4H/FFA, Junior College, and Senior College

Divisions. We won't be taking reasons it will be questions only, with the awards presented at the sale. We are very happy to welcome Sweet Pro as our judging contest sponsor this year! Please contact us if you have questions.

Thank you,
Jirl

- We aren't selling many Angus females but the two we have are good. This female has been one of our favorites since the day she was born. She has enough bone and power and held her own in popularity running with our Maine calves.
- Sired by Insight, which needs no introduction, he has been a dominant sire producing numerous champions in several breeds.
- Her dam originates from the Rita cow family which has been a leading female for Express Ranches.

MS CCR SCHURSHOT 1410J

- We have been fortunate to experience some great success in the Charolais arena. However, we have been very selective of the females because we only sell a few. Our biggest success story in the Charolais arena is "JoJo" which the Johnson family purchased. That female was a National Champion and has produced many National Champions.
- Here is a maternal sister to "JoJo" sired by the popular and proven Turton. These direct daughters of 1410 are in short supply and there are very few frozen embryos left.
- Duane and Sue Jeffrey have been longtime friends and have always been willing to send their top females to this sale. We feel very fortunate to have this female as part of this offering. Buy with confidence, you are making a long term investment that will pay huge dividends at the end of a successful show career.

Sold in last year's sale.

- Selling one IVF collection with guarantee of six transferable embryos. The buyer will receive all embryos produced over the six, she will calve in late October, so this opportunity will be available as early as this Fall.
- We can write a book about the success of HAPP Kool Aid Points 1218 ET, she was a many time Champion herself including the JNHE and the National Western. She produced the 2018 Champion Horned Female in Denver and Fort Worth, 2017 Champion Horned Female at JNHE, 2017 National Western Reserve Champion Junior Polled Female, 2016 Tulsa State Fair Champion, and multiple division champions at National shows. We have mated her to several different sires and to date she has never missed. She is also the dam of BK Distinction C18 which we are currently using as a herd sire, we have many expectations for him. Her offspring averaged over \$30,000 with half interest in one daughter selling for \$110,000.
- We collected her eight times in 2017 and she averaged 8.38 transferable embryos per collection.

The
MOORE
 Family

Over the years, we have been blessed with an amazing set of customers. When you become involved with the large number of junior exhibitors that we do, graduation is somewhat disappointing. Several of those families are still great customers and continue to purchase cattle for their breeding programs. The Moore family has had a huge impact on our program over the past 20 years as customers, breeders, exhibitors, team players, and great friends, who are more like family. This past summer, the youngest Moore kid of six children (Becca) showed at her last junior show. They have had one hell of a run, winning National shows in two breeds. Moores have a great breeding program and they will continue to be involved in the purebred cattle business, as well as our program. However, we will definitely miss having them as junior exhibitors.

Thanks for everything!!
