## GENERAL SALE INFORMATION

Updated PHA & TH results and current EPD's on the Hereford females by sale day. This information and the sale order will be posted on our website at [www.buckcattle.com](http://www.buckcattle.com) prior to sale. All cattle sell under the standard terms and conditions of their respective breed association. **Exception, females are guaranteed to breed or produce transferable IVF embryos.** If female is evaluated by a licensed veterinarian and is considered obese, breeding guarantee is voided. **Buck Cattle Co reserves the right to two flushes on all females selling.** We will pay flush expense. Registration papers will be transferred following the sale if buyer has paid and provided transfer information.

WE WELCOME TEXAS SCRAMBLE CERTIFICATES.

VIDEOS OF SALE CATTLE WILL BE POSTED AT  
[WWW.BUCKCATTLE.COM](http://WWW.BUCKCATTLE.COM) THE WEEK PRIOR TO THE SALE.

SPECIAL THANKS TO Landmark Bank, Martindale Feeds, EMCO Agri Supply, Oklahoma Ag Credit and Arin Strasburg.

Welcome to the 23rd Annual Spring Edition Sale,

Looking back over the past 23 years, it is very humbling when I think of the relationships that have been established with our customers and the friendships that all began this sale. The success of the cattle that have been sold is only a small portion of the value of the friendships that have been created.

This sale which features our very best fall born heifer calves has produced countless Champions over the years. Our customers have had 11 Champions or Reserve National Champions in the past three years and most of them sold in the Spring Edition Sale.

This sale is a challenge to get prepared for every year, and you very well know the weather has made it more challenging this year. They have spent most of their days standing in knee deep mud, however, they have done really well and I feel sure there is more talent in this group than any we have ever offered. I'll be the first to apologize for the quality of our photographs, but most of them were taken on cloudy days in the mud. Let me emphasize, these cattle are good!!!

I mentioned the weather and not only have the cattle had to deal with it, my crew has fought through it as well. There is no doubt I have one of the best crews in the business, these guys hit it hard every day and they make it work. I can't say thank you enough to Matt Scasta, Davey Young, Caleb Nixon, Seth Buckley, Ethan Moore, and Emmett Byrd. They are involved in every part of the operation, and it takes a team to get sale cattle ready, calve cows, feed cows, clip for shows, and keep things running. They make it happen!!

Study this catalog, stop by and take a look, and feel free to ask questions. The good ones are here and we want you on our team.

Join us on March 30th at noon for a great meal provided by Martindale Feed, and the sale will began at 1:00. If you can't make it sale day, you can register early and bid online at CCI.live.

Thank you,  
Jirl

Dam BK BOAK BREATHLESS 4004

BOE GARTH  
MISS BOE 502R  
BK UNLIMITED POWER 472  
GF JENNA 65L

- This Epic daughter will get your attention! She puts everything in one complete package: stunning looks, power, substance, body, and structure.
- Her dam was one of the most impressive young heifers you will ever see, she just didn't enjoy being a show heifer. Now that she is in production, she is jaw dropping good.
- Epic has really worked well on a variety of pedigrees but the ones out of Unlimited Power daughters have consistently been the most impressive.
- PHAF & THF

Sired by Epic and bred by Dupree.

- This smoke female is one stout rip with body, look and structure. She will not only be fun in the show ring, she will also raise a club calf.
- Her dam is sired by Yellow Jacket which needs no introduction, he produced major show champions, premier donors, and proven herd sires. Her dam is out of Roxbury which is one of, if not the top producing Maine female we have ever owned.
- Her sire is a legend in the show cattle industry.

- We have a few of these younger females in this offering and they are some of the best. This one is built about as good as they come, deep sided, soft made, square hipped, great structured, soft haired, and short marked.
- Her dam is a full sister to the 2018 Denver and Fort Worth Champion Horned Female. This heifer calf is a replica of her dam, she is one of the favorite cows on the ranch.
- We have used Valor on several of our 88X daughters and it's an excellent cross. You get the look and power from Valor and the maternal power from 88X.

- This horned female is impressive with her added bone, depth of side, structure, and maternal look. She not only looks good, study her pedigree too!
- Her dam is a special female, she is built right and her pedigree backs it all up. She is sired by 88X which has proven his daughters produce and have great udders to go with it. Her dam, Kool Aid Points, has produced as many or more National Champions in recent years than any female in the breed.
- She is sired by 4075 which is a leading herd sire for Hoffmans and has done that by producing National Champions and premier herd sires.

- This one will get your motor running! Her quality starts at the ground and goes up from there; good looking, stout made, deep sided, with a flawless pedigree.
- Gary and Kathy Buchholz purchased her dam in our 2018 Fall Premier Sale. She is an awesome 88X daughter out of the 2012 Denver Champion Horned Female.
- We were very fortunate to get semen on 4075 and he has worked extremely well for us. He has an outcross pedigree and both bulls and females are impressive.

BK Activate 3064A, dam of Lot 60.

- If you're searching for a great show heifer that will make an elite donor at the end of her show career, study this one. She has the look, body, and structure to compete at every level, plus she has the design of a premier donor.
- Victoria Chapman purchased her dam in our 2014 Fall Premier Sale and she went on to be a division champion at Junior Nationals. She is one of the most perfect uddered females you will find anywhere.
- She is sired by the Hoffman sire, 4075, which has produced multiple National Champions, herd sires, and numerous top sellers.

BK A MAID OF HONOR 347A ET

- This female is one of the most attractive heifers in the offering. Long necked, square hipped, correct in her structure, and has plenty of shape. She was raised on a first calf heifer so we expect this one to get really good with more time on feed.
- Davey and Ashley Young purchased her dam in our 2017 Spring Sale. She is sired by the Miles McKee son 4288, which is backed by the great Colyer donor 1008X. Her dam 347 is a top donor in the Moore program. Lots of maternal power here!
- Her sire, Night Calver, was raised by Ned and Jan Ward and we have used him exclusively on our first calf heifers. He is backed by proven maternal genetics and we have several daughters in our replacement pen.

CHAC Mason 2214, sire of Lots 63 and 64.

- As a group, there are more great donor prospects in this set than we have ever offered. The females like this one are what make it so good, she will be a big time competitor in the show ring and go back home and generate \$ for years to come.
- Her dam did a good job for us, she produced a division champion at Junior Nationals, and if you take a pasture tour here, you will love this female in production.
- About Time has to be one of the all time great sires, he produced countless champions, his daughters are producers, and his sons are breed leaders as well.
