SPRING **XXII** EDITION SALE

SATURDAY, MARCH 24, 2018 1:00 PM AT THE RANCH, MADILL, OKLAHOMA

Welcome to our 22nd Spring Edition Sale,

For the twenty-two years we have been having this sale, this spring sale has been the one that has produced the most National Champions and Jr National Champions for our customers. We strive every year to improve our cowherd and to utilize the very best sires possible. It's a proven fact, these fall born females can and will win! Take an extra look at lot one, she is a special female, and keep in mind 50% of the purchase price is going to the AJMAA.

This offering is loaded with talent! I truly believe this particular set has more National Show quality females than any we have every offered to date. They are really good, and they are bred right too. There are also several future donor females in the group. You will notice that many of these females selling are out of females which have sold in our past sales. Our customers have not only had success in the show ring, these females are going into production and producing champions as well. We appreciate our great customers for going the extra mile, whether preparing for a show or managing the females in production. We have been blessed with repeat customers, but we are always excited when new customers step in and get on board.

This Spring sale is always a challenge to prepare for, however, it has always been worth the struggle. This time was tougher than usual with the weather, but our crew made it happen. We are very fortunate to have such an amazing crew. Matt Scasta, Davey Young, Darren Rudd, Ace McHatton, and Seth Buckley; these guys are the best and we appreciate all they do for us.

Study this catalog, videos will be posted on our web site the week prior to the sale, and you are always welcome to stop by and take a look. Do your homework, the quality is deep, and the cattle will sell in everybody's budget. Please feel free to contact us with any questions.

Join us March 24th for lunch prior to the sale provided by Martindale Feed Mill, the meal will be awesome!

Thank you for your interest,
Jirl

VIDEOS OF SALE CATTLE WILL BE POSTED AT WWW.BUCKCATTLE.COM THE WEEK PRIOR TO THE SALE.

GENERAL SALE INFORMATION

Updated PHA & TH results and current EPD's on the Hereford females by sale day. This information and the sale order will be posted on our website at www.buckcattle.com prior to sale. All cattle sell under the standard terms and conditions of their respective breed association. Any and all refunds will be credit towards a future purchase from Buck Cattle Co.

SPECIAL THANKS TO

Landmark Bank, Martindale Feeds, EMCO Agri Supply, Farm Credit, Arin Strasburg and Dave Schrock.

AJMAA

AMERICAN JUNIOR MAINE-ANJOU ASSOCIATION

DONATION FEMALE

1 **BK EVERLASTING FIESTA 7001**
Heifer / 10.22.17 / 75% Maine-Anjou / TATTOO: 7001

- Lot one has always been a special lot, but this spring it is even more special. Not only is this female an outstanding individual, 50% of the sale price will be donated to the American Junior Maine-Anjou Association to benefit this year's National Junior Show.
- Here is a female that is flawless in her design, extremely sound structured, and backed with a proven predictable pedigree.
- She is sired by one of the hottest sires in the industry and her dam is an awesome I80 daughter out of a great Unlimited Power daughter.
- She's not just a donation lot, she's a big time show heifer with unlimited donor potential.

2 LADD EXPECTATIONS 7002

Heifer / 10.02.17 / 75% Maine-Anjou / TATTOO: 7002

- This great female has been a favorite from day one. Striking looks, bold center ribbed, extremely good at the ground, with worlds of power and quality.
- She is sired by the popular Maternal Made which is quickly making his impact on the industry.
- Her dam is a great Unlimited Power daughter out of the many time champion DJC Rachel. The Landgraf's purchased a group of fall calving cows from us and this great cow was in the group.

4 **CHAT EVERYDAY LOVE 7004**

Heifer / 10.20.17 / 75% Maine-Anjou / TATTOO: 7004

- Great look, deep ribbed, level hiped, sound, with added power and substance.
- Maternal Made really worked well on these Unlimited Power daughters. With the structural integrity, body, and look the Unlimited Power daughters have, breeding them to Maternal Made added the extra punch they needed.
- Ace McHatton purchased her dam, Bell Ringer, as a show prospect. Ace had an incredible show season with Bell Ringer and to top it off she was Champion Maine and Reserve Supreme Champion Female at the Oklahoma Youth Expo. Bell Ringer was no accident, she is sired by Unlimited Power out of BK Unforsaken which was also a many time champion and is a leading donor in the Moore program. Chuck and Ace McHatton are building a breeding program and I have no doubt Bell Ringer is going to quickly move their program to the next level.

6 LADD EASY BREATH 7006

Heifer / 10.04.17 / 75% Maine-Anjou / TATTOO: 7006

- You won't miss this beast! She has the maternal power, huge bodied, stout made, big feet, and a great look!
- One of the first calves we have out of Cherokee Kid and they are impressive. He is sired by Xikes out of the 906 donor female. We will definitely be having more sired by him in the future!
- Her dam was the first calf out of the many time champion Yolo. Ladd showed this female as a bred and owned and she was really good, she was raised by a first calf heifer and was always a little behind. But, she has matured into a killer looking mature cow.
- PHAC & THF

- We are leading off the Hereford division with a very special individual, Lot 34. Not only is she distinctive in her design and overall quality, she is supported with an awesome pedigree.
- Valor has been impressive from day one. He is siring cattle with worlds of power, performance, and an unmatched look.
- We purchased her dam as a bred heifer from the Colyers in Idaho. C Starburst 4029 is an impressive female. She is striking to look at, perfect uttered, and has a power packed pedigree. She is sired by 88X which I believe is the best maternal sire in the breed. Her dam, 1008X, is one of the leading donors in the Colyer program. I was excited the day I bought C Starburst 4029 but not nearly as excited as I am now. She is going to make an elite donor and that is what I had planned. It sure is nice when a plan comes together. She could have been a really high priced cull cow!
- Eternal Star 7034E is amazing, take your time and study this one.
- These two sisters are impressive! One of them is horned and the other is polled, other than that there is not much difference between the two. This one didn't picture as well but she is just as good.
- These females will compete at any and all levels and they will go home and make superior donors.

		HSF 60G LADY VAL 48K

LOT 61 -

- This exciting deep red female's quality starts at the ground and goes up from there. Awesome body shape, stout hipped, and has a cool look.
- She is sired by the popular young sire Roll The Dice. He has produced several sale toppers and champions in his first year of production.
- Her dam, Lady Val 9T, is also the dam of Valor.

LOT 62 -

- Here is another remarkable female from Chris Happ. Neat necked, deep, sound, and red to the ground.
- I saw her dam last year with a calf at side and she is one impressive female. She is carrying some age now, she is in good rig and extremely nice uddered.

63 HAPP ELEGANT 7063E ET

Heifer / 10.07.17 / Polled Hereford / TATTOO: 7063E

- Here is a big time show prospect! Neat necked, sweeping belly, level hiped, and great structured.
- Sired by Roll The Dice which has quickly proven he will produce the good ones. Her dam is an impressive young female sired by AboutTime out of Style Points which makes her a maternal sister to Kool Aid Points.
- The Happ program is impressive, they don't produce large numbers but the quality is outstanding. Every year it never fails, one of our dominant show females originate from Happ's. It's very easy to look through this catalog and see the impact the Happ cows have had on our program.

Heifer / 11.03.17 / Polled Hereford / TATTOO: 7064E

- We saved a special female for the final lot in the catalog. Here is a cool made female, neat necked, deep bodied, stout hiped, and loaded with pedigree.
- She's young but she is major league quality! She is sired by Aventus which was a many time Champion and Supreme Champion at the National Western.
- Jeffreys purchased her dam from Sullivan Farms to add to their donor battery. She is sired by the immortal AboutTime and out of the legendary Two Timing donor.

EPIC

BOE Epic is one of the most unique Maine-Anjou sires to surface in years. He was impressive as a yearling in Denver 2017 at 10 months-of-age weighing 1,221 pounds and scanning a 17.8 REA. His build was equally impressive with bold center rib, massive hiped, and impeccable structure. Epic made his return to Denver in 2018 where he was admired by cattlemen of many breeds and was selected the Grand Champion Maine-Anjou Bull. He was also selected as Grand Champion at the 2018 Fort Worth Stock Show. Epic is truly one of a kind, and now his calves are hitting the ground and they are outstanding. Without a doubt, he is going to add bone, power, body, and performance.
