SALE

Welcome to the Fall Premier Sale. This sale is a special event for our operation. We are so blessed at Buck Cattle Company to be able to make a living in the cattle business. The people in the cattle world are the best. Many of our closest friends are our customers and many of them are also our competition. That's what makes it special to me, we all want to win but we are friends in the end. We have been dealing with junior exhibitors for 30 years and the biggest blessing has been watching these young exhibitors grow up and be successful in life. It is extremely gratifying to know they are using the same work ethics they developed from showing cattle.

This is our nineteenth fall sale and we are excited about this offering of elite females. We offer cattle for sale several times throughout the year but the Fall Premier Sale is special, there is quality in numbers.

The power within this group of open heifers is exceptional. They are bred right, made right, and right for the times. The mature females are all power females that we believe can advance a progressive program to the next level.

The cattle are great but the people these cattle represent are what made Buck Cattle Company what it is today. I want to personally thank the fellow breeders, customers, and great friends for opening their gates and letting us include some of their elite prospects in this offering.

Our Fall Online Bull Sale will be held November 5th on Breeders World. This is an outstanding group of bulls that will work in many different aspects of the cattle business. There are Purebred Maines, MaineTainers, Horned & Polled Herefords, Angus, and Club Calf bulls. These bulls will all be available if you would like to take a look on sale day.

We have been fortunate in years past to have some very successful sales but, there are always some great buys and trust me there will be cattle selling in everyone's price range.

Customer service comes with every lot and when you buy here it is part of the deal. If we can assist you with preparing for shows, making breeding decisions, or marketing decisions don't hesitate to give us a call.

We have made some changes in our judging contest, which will begin on Saturday at 7:30 AM at the Red Barn on the north side of Highway 70, just north of the ranch. There will be 4H/FFA, Junior College, and Senior College Divisions. The contest is for individuals and will be questions only, with the awards presented at the sale. And, we are very excited to welcome Sure Champ as our judging contest sponsor again this year!

I am blessed with great family and friends, but this operation could not function without great help. I would like to thank Matt Scasta, Todd Herman, Ray Unwin, and Davey Young for their hard work and continuous dedication. It's not an easy job and these guys do it first class!

We invite everyone to be with us for this event whether you are looking to make a purchase or just to view the offering. Plan on joining us for lunch, I promise you can't find a better meal anywhere! Martindale Feed and EMCO will be providing lunch, and Emmett Byrd, Max Runyan, Donnie Hartin, Ann Hartin, Don Kendrick, and their crews are awesome cooks.

You are welcome to view this offering any time prior to the sale and on sale day. If you have any questions or need assistance feel free to contact us. We look forward to seeing you October 19th.

Thanks for your interest,
Jirl
