Spring Edition

XXVII SALE

SATURDAY, MARCH 25, 2023
1:00 P.M. AT THE RANCH MADILL, OK

Welcome to the 27th Annual Spring Edition Sale,

We always look forward to this spring sale for a couple of reasons. First, we know it means green grass and warmer weather are near, and second, this sale offering has always been one that generates multiple champions for our program. I believe the cattle business can finally see light at the end of the tunnel and good times are ahead. We are blessed to be able to make a living doing what we love, and to enjoy the people involved in this industry. This business has created lifelong friendships and has given us opportunities to help many young people reach their goals in the show ring, as well as become successful in life.

This sale has had a history of champions and premier donor cows, and this year's offering is loaded with quality! The Maines are truly impressive with the largest group of Maine Angus and MaineTainers we have ever offered. This set of Herefords is the deepest and best set of falls we have ever sold. We don't have many Angus, Charolais, and Simmental, however, there is some major quality in those breeds as well.

Our program has been built with customer service and we look forward to working with you. Junior Nationals are just around the corner and we highly recommend every family to get involved. There is no better experience and the memories made are priceless. The national junior shows are full of fun activities, stiff competition, and friendships that will last a lifetime.

We have a lot going on around here with sale prep, show season, calving, our Spring Online Bull Sale and preparing for our May 27 Sharing the Tradition Cow Sale. It takes an awesome crew to make it all happen and we are blessed with the best. We want to say thank you to these guys; Matt Scasta, Davey Young, Matt (Eddie) Loggains, and Seth Buckley. These guys hit it hard every day to make it all happen. There are several others that step in and help as well, Mike Bagley, Ethan Moore, Bob, and Blakelee Hayes are life savers when we are covered up. We appreciate all of you and many others that pitch in during sale time.

Study this catalog, watch the videos, and come take a look, the good ones are here. We welcome you to contact us with any questions or if you need assistance. Come join the Buck Cattle Co. team, enjoy your show career, and take your breeding program to the next level.

We certainly hope you can be with us sale day, if not the sale can be viewed live online at cci.live at 1pm. Don't miss the meal served prior to the sale sponsored by Martindale Feeds.

Thank you,
Jirl
