WELCOME TO SHARING THE TRADITION SALE

The cattle business has seen its share of struggles the past couple of years but we feel sure it has made a huge turn in the right direction. We are blessed to make a living doing what we love, and to have the opportunity to work with so many great breeders.

We are excited about this offering of females! They come right from the heart of our program and we know these females will work for you. The guess work is taken out, these females have calves at their side or are bred to leading sires in the industry. We look forward to your success stories!

These females are young and in the prime of their life, with over half of the offering being four years old or younger. We are retaining all our bred heifers, two-year-olds, and a few select donors, the others are all in the sale. The pairs have an impressive set of calves selling at their side and have been bred back to some of the most popular bulls in the country.

We have two annual sales in the spring and fall, and we have sold numerous State and National Champion females in those sales. Our heifer sales represent our top end, along with many of our customer's top prospects. We would love to include elite offspring from the cows in this offering in our future sales. If you are interested, please let us know and we will work out the details.

We are proud of our operation but even more proud of the guys that make it all happen. These guys hit it hard every day, and preparing for this sale just adds to their work load. We truly appreciate Matt Scasta, Davey Young, Matt Loggains, and Seth Buckley for their dedication and hard work. A special thank you to Shannon Cook for taking pictures, videos, and just for putting up with us.

We look forward to having you at the ranch on sale day! We invite you to view the cattle any time prior to the sale. If you have any questions prior to the sale, please feel free to contact us or any of our sale staff.

Thank you,
Jirl

GENERAL SALE INFORMATION

Cash or check accepted. Updated PHA & TH results and current EPD's on the Hereford females by sale day. This information and the sale order will be posted on our website at www.buckcattle.com and our FaceBook page prior to sale. All cattle sell under the standard terms and conditions of the American Maine-Anjou Association & the American Hereford Association. **Exception, females are guaranteed to breed or produce transferable IVF embryos.** If female is evaluated by a licensed veterinarian and is considered obese, breeding guarantee is voided. **Buck Cattle Co reserves the right to two flushes on all females selling.** We will pay flush expense. Registration papers will be transferred following the sale if buyer has paid and provided transfer information. Buck Cattle Co. guarantees all calves to DNA verify to a registered sire, not guaranteed to sire listed due to variations in pregnancy check and calving dates.

ABSENTEE BUYERS

Each sale we sell several cattle to buyers that cannot attend the sale. If you are unable to attend please contact us to discuss the cattle and we will have a representative handle your bidding confidentially.
